FORCE/2 Next Generation

Intec Force/2 K20000-01 Insulation Blower

Intec Force/2 K20010 Insulation Blower Wireless

- NEW** Simplified power requirements: 1-15amp & 1-20amp 115V circuits.
- NEW** 4.5 psi provides fast & efficient dense pack.
- NEW** Wheel Kit enhances portability.
- NEW** Hopper Extension increases capacity to more than 13 cu ft.
 - over 2 contractor bags of cellulose.
 - over ¾ bag of fiberglass.
- NEW** Increased Production:
 - 91 bags/hr cellulose; 2280 lbs/hr.
 - 21 bags/hr fiberglass; 615 lbs/hr.
 - 67 bags/hr rock wool; 2020 lbs/hr.

System shown with standard wired remote & power cords,
Optional hose & wheel kit

The **FORCE/2 Next Generation** still comes with these industry leading components on which it has built its reputation for durability and reliability:

- ✓ Polyethylene construction: rust-free, lightweight, and extremely durable.
- ✓ Urethane seals: last 2-3X longer than belted rubber providing higher pressures & production rates over time with less maintenance.
- ✓ Stainless steel airlock plates: create a virtually indestructible airlock.
- ✓ Direct-drive transmission: fewer moving parts provides longevity with little maintenance.

** Pricing is subject to change w/out notice; FOB Intec.*

Dense Pack Kits

Hopper Extension

Wireless Remote

Wheel Kit

Wired Configuration

\$5,945*

Intec Part #: K20000-01

Remote operation:

- Twist lock wired remote with 100' 18/4 cord & urethane remote head providing proven durability & longevity.

Wireless Configuration

\$6,595*

Intec Part #: K20010

Remote operation:

- Wireless remote w/ 250' range. Transmitter comes with three placement options:

- Hose Jacket
- Lanyard
- Belt Clip

Why run a cord when you can *GoWireless!*

Both systems come standard with:

- Power Cords: 2 - 10/3 gauge twist lock 100' with LED indicators indicating power transmission
- Electrical: 115 VAC / 60 Hz.
 - Agitator: 20 amp
 - Blower: 15 amp
- Circuit breakers for agitator and blower.
- Variable speed blower.
- Dimensions: 30-1/4" Diameter X 44-3/4" Height.
- Weight: 283 lbs (machine only).
- Hose outlet: 3 inches.
